About the KCE Society

Khandesh College Education Society (KCE Society), established on 15th September, 1944 with the mission of attaining international distinction in education, scholarship and public service, is the leading educational institution of Khandesh Region. The KCE Society shoulders the responsibility for the advancement and dissemination of knowledge. It offers an extensive range of academic programmes in Arts, Sciences, Engineering, Education, Law, and Business Management. It provides accessibility to the undergraduate and postgraduate students to this quality education make them benefit from scholarly environment. Today, KCES is an eminent educational institution in Maharashtra occupying 38 acres of land having thousands of square feet of state-of-the-art infrastructure, facilitating education of more than 10,000 students.

About College

Moolji Jaitha College is the premier academic institution of the region. This flagship institution of the KCES was established in 1945 in Jalgaon by a team of dedicated social-workers of the city. It is one of the oldest colleges of the Khandesh region. An autonomous college affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, M. J. College is located in 25 acres of absolutely serene and sprawling campus, such that a student automatically turns himself into learning with full concentration devoid of diversion.

The college has been reaccredited “A” Grade (CGPA 3.15) (3rdCycle) by NAAC Bangalore. The College has the privilege of being honored “A College of Excellence” by the UGC, New Delhi during 2014-2019. The College has been awarded Autonomous Status by the UGC from Academic year 2019-20 onwards.

The College is all set to be a pre-eminent educational institution that prepares students from diverse backgrounds for productive careers by providing them with a student centered, practically focused quality learning experience. To pursue this goal, the College took initiative in implementing the National Education Policy 2020 from the academic year 2023-24.

Faculty of Commerce & Management

Faculty of Commerce & Management is one of the best performing and result oriented faculties. The Under-Graduate programme began in 1958; while the Post-Graduate programme in the year 1970. Our alumni are today’s Top-most industrial Heads and Professionals, successful in their respective businesses. Many are practicing as Chartered Accountants, Tax Consultants and successful Industry Runners. The college is proud of molding the students to the highest position in the society, Her Excellency, the former President of India Mrs Pratibha Patil, is our alumna. The Professional courses wing was established in the year 2001. During

last 21 years, our professional courses reached the heights of professionalism in the form of “Commerce & Management Association” that provides platform for the future-perspective managers. The activities under study-tour have become a landmark in the journey of professional courses. In the area of research, the faculty has achieved the pinnacle in the K.B.C. North Maharashtra University, Jalgaon. The faculty is having 9 Ph.D.; 5 M. Phil., 1 CA; 12 NET/SET qualified teachers, and 1 D.Lit. The faculty has been practicing industrial orientation for the students, and providing opportunities to exchange knowledge and innovative ideas.

Objectives of the Competition’s

- To provide the students a platform to unleash their talents and potentials.
- To foster an IT oriented approach, versatility and global competencies amongst them so that they meet standards of excellence.
- To promote professional development by encouraging the spirit of innovation, teamwork, pro-active vision and managerial skills of the students.
- To test the trading fundamentals and techniques of the participants.

Significance of Events

Online Stock Market Game

Online/ real-time Stock Market Game is aimed at giving viewers and investors an easy and interactive platform to understand and invest in the stock market without fear of losing their investment. The game is dedicated to boost up the potentials of retail investment. The objective of this interactive stock market game is to educate and help students in understanding how the stock market functions. Here willing investors can test their trading fundamentals and techniques, learn new ones and turn themselves into savvy investors, before stepping into the real market. The objective of online stock market game is to test the knowledge of the participants about their deal and earn maximum profit in the real-time scenario.

Business Ideas Competition

The main objective of the Business Ideas competition is to inculcate and encourage creative and offbeat thinking among the students in the competitive environment. It also aims to offer them an opportunity to show their communication and presentation skills to convince the others the efficacy of the business-ideas or business models they would like to pursue.

Quiz Competition

In this competitive world the students' talent is evaluated through their quick reasoning skill. The purpose of organizing this competition is to develop interest in the subjects under the Faculty of Commerce and Management and inculcate competitive spirit among the students.

Power Point Presentation Competition (PPT)

The Corporate World of today is greatly influenced, among other things, by the way a person presents himself or his organization. A proficient showman definitely gets a competitive edge over his rivals. The basic purpose of organizing this competition is to inculcate and boost the skill of corporate communication, especially the skill of Power Point Presentation by offering an opportunity to the students to present their soft-skills potentials.
