Subject: **Clarification on NAAC Accreditation for Moolji Jaitha College (Autonomous) Colleges and Guidelines for the 4th Cycle**

Dear Sir/Madam,

We, Moolji Jaitha College (Autonomous), Jalgaon (MS) (AISHE Code: C-8888), were granted NAAC accreditation with a CGPA of 3.15 and Grade 'A' in the previous cycle. Our accreditation was extended due to our autonomous status and is valid until **31st December 2024**.

As an autonomous institution committed to maintaining high academic quality and excellence standards, we are preparing for the 4th cycle of NAAC accreditation. However, we understand that NAAC is in the process of developing a Binary Accreditation Ranking Framework, which may include new guidelines and procedures for future accreditation cycles.

In light of this, we kindly request your clarification on the following points:

- **Timeline for New Guidelines**: Could you provide an estimated timeline for releasing guidelines related to the Binary Accreditation Ranking Framework?
- **Procedure for the 4th Cycle**: What procedure should autonomous colleges like ours follow for the 4th cycle of accreditation under the upcoming framework?
- **Status Post-December 2024**: As our current NAAC accreditation validity ends on 31st December 2024, we seek clarity on its status until the new framework is fully implemented.

- **Preparatory Measures**: Should our institution take any preparatory steps or actions in anticipation of the new framework and awaited guidelines?

Given the significance of these issues for the institution's continuous improvement and compliance with quality benchmarks, your prompt response would be greatly appreciated.

Thank you for your attention and support. We're looking forward to your guidance on this.
