He encouraged students to follow professional ethics, be presentable, be knowledgeable and polite while facing interviews in corporate world.

The students were having a keen interest in the topic and there was lot of question answering at the last. Almost 80+ students take advantage of this webinar to make them prepare to enter into IT industry.

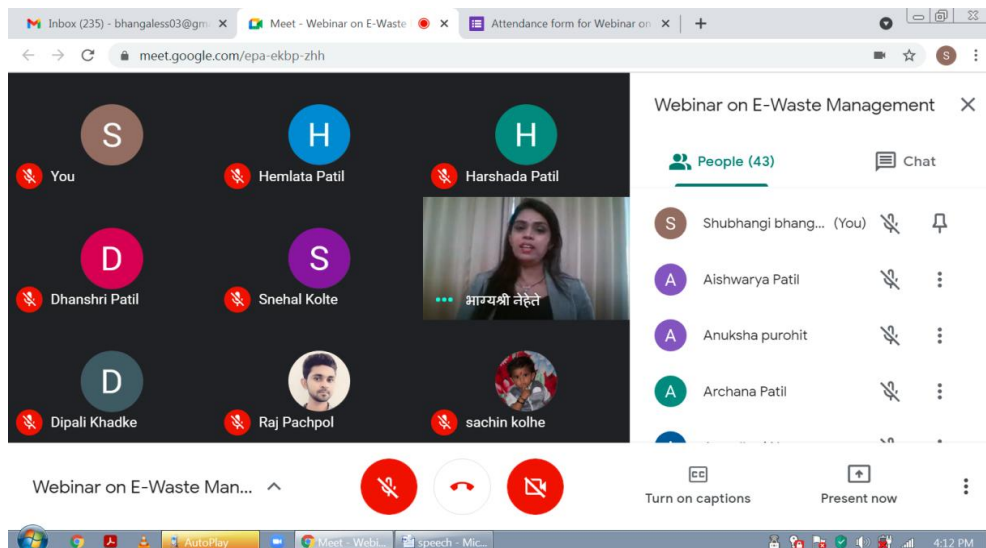

## 7. Activity Report on E-Waste Management

### School of Computer Science

When the new version of any electronic gadget came into market the old one is an e-waste, which is a significant challenge for the society. So for making awareness about ill effects of improper management of such electronic products and appropriate disposal of e-waste, School of Computer Sciences organized a webinar on "E-Waste Management" on Thursday, 1<sup>st</sup> April 2021 at 4:00 pm to 5:00pm. For this webinar we have speaker **Mrs. Bhagyashri Nehete**, a social activist. She worked with Prakriti Foundation, Nashik in e-waste management related activities.

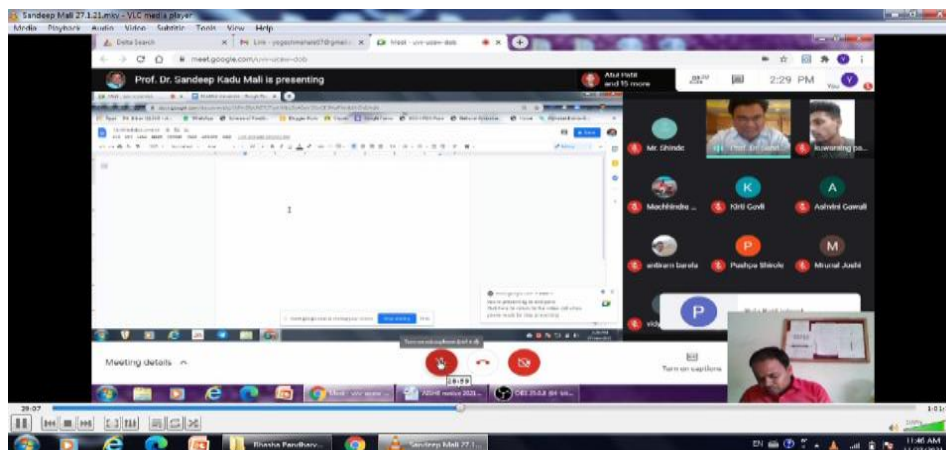

The audience for this webinar was Teaching/Non-Teaching Faculty and UG/PG students of college. This was conducted in online mode using Google-meet.

There were 100 participants registered for the webinar. And it was found very useful for all, as everybody is a user of an electronic gadget.
