## **9. Seminar on Cashless Transactions**

### **School of Commerce and Management**

---

**Resource Person:** Prof. Pallavi Rane

**Introduction:**

On February 20, 2023, a workshop on UPI payments and security measures was organized for the students of third year B.Com at the college campus. The workshop was aimed at educating students about the advantages and security measures of UPI payments.

**Details of the Workshop:**

The workshop began at 10:00 am in class room no 21, with a welcome address by the Dr. Vishal Deshmukh. The resource person, Prof. Pallavi Rane, then took over and started the session with a brief introduction of UPI payments. She discussed how UPI has revolutionized the way people make transactions, making it more convenient and secure.

Prof. Rane also explained how UPI payments work and how students can easily set up their UPI accounts. She demonstrated the UPI payment process using a live demonstration, where students were asked to follow the steps along with her. Prof. Rane also provided valuable tips on using UPI payments, such as always verifying the payee's details before making a payment, and never sharing their UPI PIN with anyone.

In the next segment of the workshop, Prof. Rane discussed the various security measures that students can take to safeguard their UPI accounts from fraudsters. She explained the importance of keeping their UPI PIN confidential and never sharing it with anyone. She also spoke about the different types of UPI frauds that can occur, such as SIM swapping, phishing, and vishing, and how students can protect themselves from these.

The workshop also had a Q&A session where students could clarify their doubts and concerns with the resource person. The workshop concluded with a vote of thanks by the faculty-in-charge, encouraging students to use UPI payments for their transactions and follow the security measures discussed in the workshop.

**Conclusion:**

Overall, the workshop was a great success, and the students found it informative and helpful. The students gained a thorough understanding of UPI payments and the necessary security measures to protect their accounts. We hope that this workshop will help the students make safe and secure transactions using UPI in the future.
