KNOWLEDGE IS POWER
ESTD. 1945

Khandesh College Education Society's

MOOLJI JAITHA COLLEGE, JALGAON

"An Empowered Autonomous College"

Affiliated to K.B.C. North Maharashtra University, Jalgaon.

Degree Certificate Distribution Ceremony

Academic Years 2020-21 to 2024-25

KNOWLEDGE IS POWER

ESTD. 1945

Vision

"To be a pre-eminent educational institution that prepares students from diverse backgrounds for productive careers by providing them with a student-centered, practically focused quality learning experience."

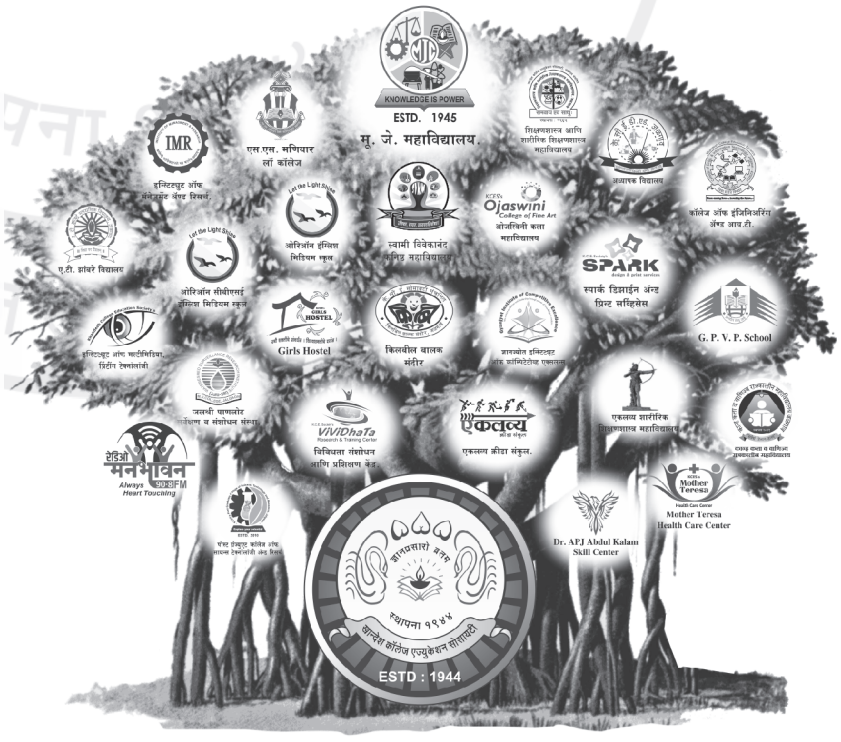

Mission

"To graduate well educated students who are prepared to meet the challenges of a rapidly changing, and increasingly complex world."

The stated mission is to be accomplished through qualified and student-oriented faculty, an updated curriculum balancing theory and practice, modern laboratories and ICT facilities, co-curricular opportunities, student research projects, and mutually beneficial industry linkages.

About the KCE Society

The Khandesh College Education Society (KCE Society), founded on September 16, 1944, is a premier educational institution in the Khandesh region, dedicated to achieving excellence in education, research, and public service. The KCE Society provides a broad spectrum of academic programs across disciplines such as Arts, Sciences, Engineering, Education, Law, and Business Management. It provides undergraduate and postgraduate students with access to quality education in a stimulating scholarly environment. Today, KCE Society is a renowned institution in Maharashtra, spanning over 38 acres of land with state-of-the-art infrastructure. With a thriving student community of more than 10,000 learners the Society continues to build a future where education goes beyond classrooms, fostering innovation, leadership, creativity, and a strong sense of social responsibility. Rooted in a rich legacy and driven by a bold vision for the future, KCE Society continues to inspire generations, redefine possibilities, and lead the way in education, research, and public service.

About College

Moolji Jaitha College, established in 1945 in Jalgaon by a dedicated group of social workers, is a premier academic institution and the flagship entity of the Khandesh College Education Society (KCES), spanning a serene and easily accessible 25 acre campus,

Affiliated with Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, the college was re-accredited with an "A" Grade (CGPA 3.15) in its third cycle by NAAC, Bengaluru, in 2016. The college has also been honoured with several prestigious recognitions for its academic achievements and institutional excellence, including "Star College Status" by the Department of Biotechnology, Government of India, in 2011, and recognition as a "College of Excellence" by the UGC, New Delhi, for the period 2014–2019.

In its endeavour to provide quality, and state-of-the-art education, the college has, over its 81-year journey, continually explored and embraced new disciplinary avenues. Currently, it offers degree programmes across more than 31 disciplines spanning Arts, Sciences, Commerce and Management, and Interdisciplinary Studies. Further expanding its academic horizons, the college has introduced two new disciplines; Forensic Science and Criminology from the academic year 2026–27.

The college was granted "Autonomous" status by the University Grants Commission (UGC) from the academic year 2019-20. During the academic year 2025–26, the college was conferred 'Empowered Autonomy' status, marking a significant milestone in its academic and administrative journey. In keeping with the changing landscape of higher education, its implementation of the National Education Policy 2020 has further strengthened its focus on multidisciplinary education, skill development, flexibility and experiential learning. Through its academic autonomy, diverse programmes, research initiatives and student-centred practices, Moolji Jaitha College continues to seek a meaningful balance between its rich educational legacy and the emerging needs of twenty-first-century learners.

Best Practices

Moolji Jaitha College (Autonomous), Jalgaon takes pride in the following contemporary best practices, which reflect its commitment to innovation, academic excellence, student development, and community engagement.

Budding Research Scheme : nurturing research aptitude among students

The college initiated the Budding Research Scheme to encourage UG and PG students to undertake small-scale research projects under faculty supervision since the year 2013. Under the said scheme the students present their completed projects before experts for evaluation and suggestions, and outstanding students receive cash prizes and certificates. The scheme is designed to give students practical exposure to research methodology and academic writing at an early stage.

Yoga for Holistic Health

The college has institutionalized yoga not merely as an extracurricular activity but as an integral component of holistic health, well-being, and community engagement. Its initiatives encompass yoga, meditation, Yog-Nidra, Surya Namaskar, naturopathy, physiotherapy, dietary awareness, and various health-related programmes.

The college has also extended its commitment to holistic well-being beyond the campus through Soham Yoga Gurukul, where regular yoga activities are conducted for children every Sunday. To date, the centre has trained approximately 156 yoga teachers and extended its services to more than 1,800 beneficiaries, reflecting its sustained commitment to promoting health, wellness, and the wider social outreach of yoga.

Enterprise Resource Planning system (ERP): Technology-enabled enrollment, examination, and assessment system

The college has developed substantial IT integration in student enrolment and examination management. Its ERP system supports the academic and examination processes, from enrolment and examination-form submission to fee payment, generation of hall tickets and mark lists, online entry of marks, declaration of results, and systematic data management. This integrated digital system uses technology to make academic administration more efficient, transparent, and convenient for students.

Career Katta: Competitive Examinations Guidance Platform

The college participates in Career Katta, an initiative of the Maharashtra State Department of Higher and Technical Education and the Maharashtra Information Technology Support Centre (MITSC). Its focus is to provide students with accessible guidance for competitive examinations, entrepreneurship, skill development, and employment opportunities.

Institutional and Industry Collaboration through MoUs:

The college has adopted the practice of establishing Memoranda of Understanding (MoUs) with academic institutions, industries, professional organizations, and other organizations to provide students and faculty with opportunities for academic exchange, skill development, internships, training, research, and career development.

Mr. N. G. Bendale
President
KCE Society, Jalgaon, MH

It gives me immense pleasure to extend my heartfelt greetings to all the graduate and postgraduate students of Moolji Jaitha College, Jalgaon, on the auspicious occasion of the Degree Certificate Distribution Ceremony. It is a matter of great pride and profound satisfaction for me and the entire management of KCE to witness M. J. College attain yet another significant milestone in its illustrious journey of academic growth and excellence. From its humble beginnings as a traditional institution of higher learning, the College has now evolved into a vibrant and distinguished autonomous institution, carving a distinctive place for itself in the field of higher education.

The KCE has always remained committed to groom its students into resourceful individuals at the same time meaningful citizens. This vision resonates deeply with Mahatma Gandhi's conception of true education through 'Nai-Talim', which sought to bring together the head, the heart, and the hand. Knowledge without character can become directionless; skill without values can become merely instrumental; and values without the ability to act can remain abstract ideals. The true purpose of education, therefore, lies in bringing knowledge, values and action together. Moolji Jaitha College has certainly endeavoured to equip you with all the relevant and sustainable values to stand out in the world.

Dear students, the world you are entering is changing with unprecedented speed. Technology and Artificial Intelligence are transforming the ways in which we work, communicate, and understand the world. Yet, amidst these changes, the fundamental questions of human life remain unchanged: What does it mean to live a meaningful life? What do we owe to one another? And what kind of society do we wish to create? I hope you will use your knowledge and abilities not merely for personal success, but to contribute to a more just, humane, and meaningful society. In other words, as you leave college, do not measure your success only by the position you attain or the wealth you accumulate. Let your lives also be measured by the lives you touch, the knowledge you share, the injustices you challenge, and the difference you make.

My warmest wishes for a life of learning, purpose, fulfilment, and service.

Principal's Message

It is a matter of great pride that, as an autonomous institution, Moolji Jaitha College is holding its Degree Certificate Distribution Ceremony today. This would certainly be a memorable day for all those students who have graduated and post-graduated during the last five academic years and who are being formally distributed their degree certificates on this auspicious occasion.

At M. J. College, we have always believed that education is a transformative force that empowers individuals with knowledge, values, skills, and a deep sense of social responsibility. With the implementation of NEP 2020 from the academic year 2023–2024, the College has made a sincere effort to bridge the gap between the theoretical world of the campus and the practical realities and expectations of the world beyond. Our constant endeavour has been to provide an enriching academic environment that encourages intellectual curiosity, creativity, innovation, and holistic development.

Dear Graduates, and Postgraduates as you step into a new phase of life, I urge you to carry forward the knowledge and values you have acquired during your years at this institution. The world beyond the campus presents numerous opportunities as well as challenges. Face them with confidence, integrity, courage, and a lifelong commitment to learning. Remember that true success lies not only in achieving personal goals but also in making a meaningful contribution to society and the nation.

I take this opportunity to express my sincere appreciation to the faculty members, non-teaching staff, parents, and all those who have contributed to the academic journey and success of our students. On this memorable occasion, I once again congratulate all the graduates and postgraduates and wish them a future filled with success, happiness, and fulfillment. May they continue to uphold the glorious traditions and values of M. J. College and bring honour to their alma mater.

My best wishes to all the Graduates and Postgraduates!

Prof. Ketan Narkhede
Principal
Moolji Jaitha College (Autonomous), Jalgaon

CHIEF GUEST,
Prof. V. L. Maheshwari
The Vice-Chancellor,
KBC North Maharashtra University,
Jalgaon, Maharashtra, India.

It gives me immense pleasure to be present as the Chief Guest at the Degree Certificate Distribution Ceremony of Moolji Jaitha College, Jalgaon, and to extend my sincere congratulations to all the graduate and postgraduate students who are receiving their degree certificates today.

A Degree Certificate Distribution Ceremony is a moment of celebration, but it is also a moment of reflection. A degree signifies the completion of a defined course of study; education, however, is a journey without a final destination. The knowledge acquired in classrooms, laboratories, libraries, and through interactions with teachers and fellow students becomes meaningful only when it enables us to understand life more deeply and to respond to its challenges more responsibly.

From today, you will carry with you a new identity. You will always be remembered as alumni of Moolji Jaitha College and, by extension, as graduates and postgraduates of Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. This is not merely an association with two institutions; it is a connection with a tradition, a legacy, and a set of values. Looking at the rich tradition of this College, I am confident that wherever life takes you, you will carry that legacy with you. The world is waiting for you to give your best performance. I am confident that a day will come when we will look back at your achievements, and with pride say, "They were our students." May your accomplishments bring glory not only to yourselves and your families, but also to Moolji Jaitha College and Kavayitri Bahinabai Chaudhari North Maharashtra University. May you always remain our bright and cherished students.

As you step beyond the walls of this college, I urge you to carry with you not only your degrees but also the values of curiosity, critical thinking, empathy, constitutional morality, and respect for human dignity. Do not be afraid to question what appears unquestionable. Do not accept knowledge merely as information; seek to understand it, examine it, and use it responsibly.

I extend my warmest congratulations to all the graduates and postgraduates and express my appreciation to their parents, teachers, mentors, and the institution for the role they have played in bringing them to this important moment.

GOLD MEDALLISTS
Academic Years 2023-2025

Sr. No.	Student Name	Class, Sub. Name	Year	Gold Medal Name	Donor Name
1	Raisinghani Komal Ashok (Ishwari)	M.A. (English)	2023	Prof. Rajani Premchand Bonde Gold Medal	Prof. Rajni Premchand Bonde
2	Bagwan Shifaafnan Nazeer (Sadiquabegum)	M.A. (English)	2024	Prof. Rajani Premchand Bonde Gold Medal	Prof. Rajni Premchand Bonde
