

Institutional Distinctiveness 2021-22

The Moolji Jaitha College, Jalgaon disseminates knowledge with its motto “Knowledge is Power”. The uniqueness of the institution lies in the holistic development of the “persona” at the physical, emotional, intellectual, spiritual level in the context of career and human being. Besides focusing on specialization, it provides multidisciplinary and trans disciplinary education necessary to work globally.

- The institution runs various branches of Basic and Applied Sciences.
- Faculty of Commerce and Management develop entrepreneurial skills among students by offering professional courses like BBA and BCA.
- The uniqueness of the institution lies in the MOUs signed with the industries/ institutions and the industrial visits.
- The various Schools of Languages, Social Sciences, and Mental Sciences develop cross-cultural competence and communicate in the ancient, local and global language.
- The department of performing arts helps to explore potential of student through activities related to singing, theatre, dance and fine arts.
- The Soham Department of Yoga trains for holistic health on campus and in society.

- Eklavya provides a wide range of sports, games, athletics not only for the beneficiaries on campus but of the campus also.
- Library as a resource is open for students, society, and Visually Challenged people.
- The preservation of Manuscript is a rare initiative of the Central Library. The department of history provides training and contributes in preservation of endangered *Modi* Script through workshops.
- The institution uses ERP for administration resulting in easy updating, decentralization of data and making it available through a centralize system.
- Tapping interest of present generation in social media, the institution runs it's own FM Radio and You tube Channel. Various co-curricular, extra-curricular programs, recordings of conducted activities are available for learners and other masses.
