EXTERNAL ACADEMIC AND ADMINISTRATIVE AUDIT ASSESSMENT REPORT
KCES's Moolji Jaitha College (Autonomous), Jalgaon
Academic Year 2023–24

1. OVERALL ASSESSMENT

The External Academic and Administrative Audit for the Academic Year 2023–24 shows that the college is continuing to build on its strengths as an autonomous institution. By focusing on practical, student-centered learning, the college successfully serves a diverse population of 4,854 students in an urban setting. The management, Internal Quality Assurance Cell (IQAC), and faculty have worked together effectively to update learning tracks, boost research, and organize strong community programs. The institution maintains a clear focus on academic quality while adapting to new educational frameworks.

2. COMPLIANCE TO PREVIOUS AUDIT RECOMMENDATIONS (2022–23)

The college has actively addressed the recommendations from the previous year's report, turning last year's suggestions into this year's tangible achievements:

- **NEP-2020 Syllabus Revision & Policy Documents:** The IQAC successfully started rewriting policy documents to match NEP-2020 and helped departments implement the updated curriculum.
- **Focus on Patents & Innovation:** The institution successfully introduced 634 new courses across its programs. Out of 1,697 total courses, 189 specifically focus on building workplace skills, career readiness, and entrepreneurship.
- **On-the-Job Training (OJT) & Field Projects:** The college designed practical learning tracks, leading to 717 students successfully finishing field work, projects, or industry internships this year.
- **National Conferences:** The college hosted multiple major academic meetings, including the *National Conference on Research Advances in Chemistry 2024* (150 participants) and the *National Conference on Research Trends in Mathematics* (81 participants).
- **Faculty Capacity-Building:** The college ran targeted professional development events, including an Induction Training Programme for 26 teachers and specialized sessions on question paper design and personality grooming methods.

3. MAJOR ACHIEVEMENTS OF THE YEAR (2023–24)

- **Strong Operational Funding:** The institution generated a substantial revenue of Rs. 15,22,870 from research project grants, professional consultancy and corporate training programs.
- **Growing Research Network:** The college supported 11 active research projects funded by external agencies like K.B.C.N.M.U. Jalgaon and the Government of Maharashtra (RGS&TC). The research network grew to include 115 registered Ph.D. students.
- **Institutional Laurels:** Faculty and staff earned top university honors, including Best Teacher awards given to Dr. M. Z. Chopda and Dr. V. R. Shaikh, alongside three Best Non-Teaching staff awards.
- **Dynamic Student Activity:** The college hosted 12 major regional sports tournaments (including cricket, swimming, and boxing). Additionally, 150 students participated in the Yuvarang festival, and 125 volunteers completed the winter NSS camp.
- **Solid Learning Infrastructure:** The campus offers 68 classrooms and 33 laboratories across 337,924 square feet of built area. The digital setup features 635 computers, 39 laptops, and 24 LCD project screens.

4. SWOC ANALYSIS

Strengths

- **Established Academic Setup:** Strong footprint with a large campus, 143 full-time teachers (65 holding Ph.D. degrees), and a library housing thousands of learning resources.
- **Strong External Funding:** Proven ability to bring in institutional funds, seen in the Rs. 15.22 lakh generated from external consultancy work.
- **High Student Inclusion:** Out of the total student enrolment, 4,008 spots were successfully filled by students from reserved categories, showing a deep commitment to equal-opportunity education.
- **Strong Practical Focus:** High participation in real-world learning, with 717 students completing internships and field projects.

Weaknesses

- **Imbalanced Exam Results:** While some programs hit a 100% pass rate (like Mathematics and Sanskrit), other core areas show low pass rates, such as Marathi (16.67%), History (22.22%), and Botany (24.24%).
- **Staffing Shortages:** Out of 107 sanctioned roles for supportive non-teaching staff, only 39 positions are currently filled, putting a heavy workload on operational teams.
- **Narrow Placement Reach:** Job placements are heavily concentrated in specialized lines like Yogic Science and Chemistry, leaving students in traditional Arts and general Science tracks with fewer career avenues.
- **Evaluation Disputes:** A total of 467 student complaints or grievances were filed regarding exam evaluations during the academic cycle.

Opportunities

- **Expansion of Skill-Based Learning:** The high demand for the 189 existing career courses provides an opportunity to create more specialized, short-term employment certificates.
- **Broader Industry Links:** The current internship track can be expanded into long-term corporate hiring partnerships across more fields.
- **Alumni and Local Network Growth:** The college can use its deep regional ties to create targeted scholarship funds and industry-backed labs.

Challenges

- **Fixing Low Pass Rates:** Raising the low student pass marks in specific departments without lowering strict academic standards.
- **Filling Operational Roles:** Running a growing, tech-reliant autonomous campus smoothly while navigating frozen or unfilled non-teaching jobs.

5. RECOMMENDATIONS FOR FURTHER IMPROVEMENT

1. **Launch Target Support in Low-Passing Subjects:** Run immediate academic reviews and launch extra remedial classes for departments where passing rates dropped below 30% (specifically Marathi, History, Zoology, and Botany).
2. **Streamline and Clean Up the Evaluation Process:** Update the internal exam grading methods to address and reduce the 467 evaluation grievances filed by students this year.

3. **Diversify Job Placements Across Departments:** Expand campus placement drives beyond Chemistry and Yogic Science to ensure traditional Arts, Commerce, and general Science graduates get equal career starts.
4. **Fill Essential Non-Teaching Staff Positions:** Work closely with management and governing bodies to fill the remaining 68 vacant non-teaching positions to improve administrative speed and balance workplace loads.
5. **Turn Research Projects into Patents:** Guide the 47 research instructors and 115 Ph.D. scholars to focus their active field projects toward filing formal patents and creating real-world products.

6. CONCLUSION

KCES's Moolji Jaitha College (Autonomous) has had a highly productive year during 2023–24. It successfully put last year's core advice into practice by introducing a massive wave of new courses and creating meaningful internship options for hundreds of students. If the college can now focus on stabilizing department pass rates, fixing its staffing shortages, and building out a broader placement cell, it will firmly secure its position as a top-tier regional centre for balanced, career-ready education.

2. VISION OF THE COLLEGE

"To be pre-eminent educational institution that prepares students from diverse backgrounds for productive careers by providing them with a student-centered, practical focused quality learning experience"

MISSION OF THE COLLEGE:

"To graduate well educated students who are prepared to meet the challenges of a rapidly changing, increasingly complex world"

3. PREFACE

Moolji Jaitha College is one of the leading institutions of higher education in the region, offering a comprehensive range of programmes through its Junior and Senior College wings in the disciplines of Arts, Science, Commerce, and Management. Over the years, the institution has established a strong reputation for academic excellence, innovation, and holistic student development. Guided by its vision of providing quality education with a global outlook and value-based approach, the College strives to create an environment that nurtures intellectual growth, social responsibility, and lifelong learning.

The institution has earned significant recognition for its contributions to higher education and community development. In acknowledgement of its sustained commitment to quality and excellence, Moolji Jaitha College has been conferred the prestigious status of “College of Excellence” by the University Grants Commission (UGC) and “Star College” by the Ministry of Science and Technology, Government of India. These accolades reflect the institution’s dedication to maintaining high academic standards, promoting research and innovation, and fostering a culture of continuous improvement.

Located in a semi-urban region, the College serves a diverse student population representing various socio-economic backgrounds. Recognizing the evolving demands of higher education and the dynamic global environment, the institution continuously reviews and enriches its academic programmes. As an autonomous institution, the College designs and revises its curricula through a participatory process involving academicians, industry experts, alumni, employers, and other stakeholders to ensure relevance, employability, and alignment with contemporary societal and industrial needs.

The College is committed to providing a learner-centric educational experience supported by modern infrastructure and academic resources. The institution offers well-equipped laboratories, advanced research facilities, a resource-rich library, ICT-enabled classrooms, and specialized research centres to facilitate effective teaching, learning, and innovation. In addition to academic excellence, the College places strong emphasis on the holistic development of students through a wide range of co-curricular and extension activities, including sports, yoga and naturopathy, cultural programmes, performing arts, community engagement, and value-based initiatives.

The governance framework of the College is founded on the principles of decentralization, transparency, and participative management. Through the School Model adopted under the autonomous

system, academic and administrative responsibilities are effectively delegated, enabling greater academic flexibility, accountability, and stakeholder participation in decision-making processes.

This Academic Audit Report reflects the institution's commitment to quality assurance and continuous enhancement of its academic and administrative practices. The audit process serves as a valuable mechanism for evaluating institutional performance, identifying strengths, recognizing best practices, and recommending measures for further improvement. The findings and observations presented in this report are expected to contribute significantly to the College's ongoing efforts towards academic excellence, institutional effectiveness, and sustained quality enhancement.
