EXTERNAL ACADEMIC AND ADMINISTRATIVE AUDIT ASSESSMENT REPORT

KCES's Moolji Jaitha College (Autonomous), Jalgaon

Academic Year 2024–25

1. OVERALL ASSESSMENT

The External Academic and Administrative Audit for the Academic Year 2024–25 shows that the college is successfully sharpening its operations as an autonomous institution. Serving a student body of 4,353 individuals in an urban location, the college provides a student-centred and practical education. The collaboration between college management, the IQAC, and the faculty has effectively translated previous academic guidelines into everyday actions, showing steady growth in hands-on learning, research involvement, and neighbourhood extension efforts.

2. COMPLIANCE TO PREVIOUS AUDIT RECOMMENDATIONS (2023–24)

The college treated last year's recommendations as a direct checklist for improvement, hitting several milestones over the 2024–25 period:

- **Target Support in Low-Passing Subjects:** Remedial attention yielded positive results. While select departments still require focus, multiple historically low-performing areas raised their passing scores significantly. For instance, Marathi boosted its pass rate from 16.67% to 84.62% and History grew from 22.22% to 80.77%.
- **Streamlining the Evaluation Process:** To clean up grading disputes, the college implemented clearer internal checking measures. However, overall evaluation grievances rose from 467 to 796 out of 3,879 total students exam-takers, signalling that assessment remains an area needing ongoing administrative oversight.
- **Diversifying Job Placements Across Departments:** Placements successfully spread beyond Chemistry and Yogic Science. During this cycle, graduates from general Commerce (B. Com.), Geography (M. A./M. Sc.), Sanskrit (M.A.), and Microbiology (M. Sc.) secured verifiable annual contracts.
- **Filling Essential Non-Teaching Staff Positions:** Administrative recruitment remains tightly constrained. Out of 107 sanctioned support roles, 36 positions are currently filled, marking a small drop from the 39 filled positions recorded last year.
- **Turning Research Projects into Patents:** The college shifted its research mindset toward tangible innovation. Along with maintaining 7 active research grants, the college hosted a dedicated workshop on "Filing Patent" for 41 participants to jumpstart application tracks.

3. MAJOR ACHIEVEMENTS OF THE YEAR (2024–25)

- **Broader Applied Learning:** The college scaled up its real-world educational components, resulting in 1,681 students successfully completing field work, individual projects, or off-campus internships.
- **Updated Class Options:** The institution added 304 brand-new courses to its syllabus, keeping curriculum choices modern. Total available courses hit 1,917, with 145 focusing explicitly on building workplace skills, career readiness, and entrepreneurship.
- **Active Research Infrastructure:** The institution secured funding for 7 new research projects backed by agencies like K.B.C.N.M.U. Jalgaon and the Rajeev Gandhi Science & Technology Commission (RGST&C), pulling in separate grants such as a major 37.5 lakh award for Zoology research. The campus research community expanded to 136 registered Ph.D. scholars guided by qualified institutional faculty.

- **Dedicated Faculty Training:** The college organized key capacity-building programs, including a Commerce workshop on digital teaching tools (30 teachers) and two separate 3-day PM-USHA training sessions for science instructors covering wet and dry laboratory instruments (60 teachers total).
- **Vibrant Student & Community Life:** The campus hosted 15 regional intercollegiate and intergroup athletic tournaments, spanning cricket, swimming, yoga, and rifle shooting. Community outreach thrived via the NSS, engaging 100 students in disaster management training and 36 participants in a regional blood donation drive.
- **Expanded Digital Footprint:** The campus building setup spans 337,924 square feet, housing 68 classrooms and 33 labs. The technology base was updated to feature 697 computers, 39 laptops, 30 interactive smart boards, and 20 LCD projector screens.

4. SWOC ANALYSIS

Strengths

- **Comprehensive Learning Spaces:** An established educational footprint featuring 33 specialized labs, a Central Instrumentation Laboratory, and a library boasting 166,845 books alongside 6,293 e-journals.
- **High Institutional Inclusivity:** Deep commitment to equitable learning, with 3,584 student positions filled by individuals from reserved categories.
- **Strong Culture of Practical Application:** Excellent student engagement in hands-on learning, with 1,681 students pursuing internships or field projects.
- **Robust Academic Guidance Network:** A large pool of experienced faculty, including 119 full-time teachers with 68 holding a Ph.D. qualification.

Weaknesses

- **Persistent Subject Failures:** Deep learning gaps remain in a few key areas. The pass percentage for M. Sc. Mathematics, M. Sc. Physics, B.V.A. Sculpture, and B.A. Philosophy sat at 0.00% during this cycle, while B. Sc. Physics struggled at 36.36%.
- **Severe Administrative Staffing Gaps:** Out of 107 sanctioned non-teaching positions, only 36 roles are occupied, creating heavy workloads for remaining administrative teams.
- **Low Consultancy Revenue:** Total money pulled in through professional consultancy and corporate training sat at 85,210, marking a drop from previous cycles.
- **Growing Grading Disputes:** Evaluation friction increased, resulting in 796 formal student complaints or grievances regarding exam scores.

Opportunities

- **Niche Career Certifications:** The college can turn its 19 popular value-added courses into official career micro-credentials.
- **Targeted Rural and Farm Extension:** Leveraging workshops like "Pearl Culture for Melghat Farmers" and "Seed Conservation" to build community training pipelines.
- **Commercializing Local Research:** Converting active chemistry, biochemistry, and zoology research projects into commercial utility patents.

Challenges

- **Standardizing Core Science and Art Passing Rates:** Raising baseline academic outcomes in struggling fields without diluting autonomous testing rigor.
- **Handling Administrative Load with Minimal Staff:** Keeping a complex campus running smoothly with less than 34% of the standard non-teaching workforce active.

5. RECOMMENDATIONS FOR FURTHER IMPROVEMENT

1. **Deploy Emergency Academic Assistance in Failing Subjects:** Design immediate learning interventions, extra tutoring blocks, and customized testing strategies for courses hit by critical pass rates, notably M. Sc. Mathematics, M. Sc. Physics, B. Sc. Physics, and B. A. Philosophy.
2. **Re-engineer and Transparentize the Evaluation Setup:** Introduce a fast-track internal checking system to process the 796 evaluation complaints, minimizing scoring errors before final report cards roll out.
3. **Establish a Dedicated Recruitment Pathway for Support Staff:** Coordinate directly with the parent trust and government bodies to address the 71 unfilled non-teaching vacancies, easing operational strain.
4. **Boost Corporate Training and Consultancy Operations:** Set explicit targets for core departments to market their knowledge, utilizing lab equipment to drive consultancy revenue past current baselines.
5. **Convert Patent Awareness into Formal Applications:** Use the momentum from the 41-participant patent workshop to actively push research guides and the 136 Ph.D. candidates to file functional designs and inventions.

6. CONCLUSION

KCES's Moolji Jaitha College (Autonomous) has shown a proactive approach during the 2024–25 academic period. By expanding project-based learning to 1,681 students and diversifying placements, it successfully cleared several past targets. If the institution moves to quickly correct critical zero-percent pass pockets in specific science branches, streamlines its exam verification step, and resolves lingering support staff vacancies, it will protect its standing as an exceptional destination for career-ready learning.

Standard Operating Procedure (SOP)

Audit Committee: Planning, Execution, and Compliance for Internal and External Audits

- **Target Audience:** Audit Committee Members, Heads of Departments (HoDs), Administrative Officers, IQAC, Finance Officer, Principal

1. Purpose & Scope

1.1 Purpose

This SOP establi:ses standardized procedures for conducting systematic, objective, and time-bound Academic, Administrative, Financial, and Statutory/ISO Audits across the academic year. It ensures continuous improvement, regulatory compliance (NAAC/UGC) and integrity.

1.2 Scope

Applies to:

- All Academic Departments (UG & PG)
- Administrative, Library, Examination Section
- Auxiliary Units (NSS, NCC, Sports)

2. Audit Structure & Composition

2.1 Committee Composition

- **Chairperson:** Principal / Vice-Principal / IQAC coordinator
- **Internal Auditors:** A Team of Senior faculty members (peer cross-audit) and a Chartered Accountant (for financial audits)
- **External Auditors:** Academic Experts from external autonomous/statutory institutions, Chartered Accountant (for financial audits), ISO/NAAC Assessors

2.2 Key Roles & Responsibilities

- **Audit Committee:** Drafts schedule, issues notices, collects pre-audit documents, synthesizes reports and coordinates all required audits.
- **Auditors:** Conduct fair evaluations using standardized checklists, compile evidence, and highlight Non-Conformities (NCs).
- **Auditees (HoDs/Section Heads):** Provide verifiable documentation, present evidence, and submit Corrective Action Reports (CARs).

3. Classification of Audits

1. **Internal Academic and Administrative Audit (IAAA):** Conducted bi-annually (in the beginning of subsequent semester) by internal cross-functional peer teams.
2. **External Academic and Administrative Audit (EAAA):** Conducted annually by invited external domain experts and IQAC assessors.
3. **External Financial Audits:** Conducted annually certified Chartered Accountants (CAs).
4. **Statutory/Quality Audits:** Green Audit, Energy Audit, ISO Audit, NBA/NAAC Reviews (as per statutory schedules).

4. Academic Year Operational Calendar

(*dates are indicative/tentative)5. Standard Operating Procedure Steps

Phase 1: Pre-Audit Planning

↓

Phase 2: Execution & Verification

↓

Phase 3: Reporting & Exit Conference

↓

Phase 4: Post-Audit & Action Taken (CAR)

Indicative Dates	Key Task / Activity	Responsible Party
June 29-30	**Internal Audit (IAAA)** for previous academic year and subsequent follow up for closing non-conformities	Audit committee
July 14-15	**Annual External Audit (EAAA) for previous academic year** Compilation of Annual Quality Assurance & Audit Report	External Audit Team and Audit Committee
Aug 10-11	**Submission of Consolidated AAA report to the university and UGC**	Audit committee and IQAC

Phase 1: Pre-Audit Planning (2 Weeks Prior to Audit)

1. **Notice & Schedule:** Audit Committee issues the notification along with the audit schedule and checklists at least 14 calendar days prior.
2. **Document Submission (Self-Assessment):** Auditee Departments and Support Services prepare an Annual Self-Assessment Report and submit it to IQAC in pdf format along with supporting evidence and upload/submit them to the Audit Portal/ provided link 5 days prior to the audit. A proforma of ASSR for departments will be created and circulated.
3. **Auditor Allocation:** Assign internal/external audit panels ensuring no auditor evaluates their own department.

Phase 2: Audit Execution (On-Site Verification)

1. **Opening Meeting (15–30 Mins):** Auditor panel briefs the HoD/Section Head on the audit scope, agenda, and methodology.
2. **Physical & Document Verification:**
    - **Academic:** Verification of Course Files, CO-PO Attainment, Evaluation Transparency, Result Analysis, Student Feedback, R&D/Publications, Mentor-Mentee records.
    - **Administrative & Financial:** Stock registers, purchase orders, fee reconciliations, service books, statutory filings, leave records.
    - **Infrastructure:** Labs, equipment maintenance logs, safety protocols, library utilization.
3. **Interactions:** Random sampling/interaction with students, faculty, and administrative staff.

Phase 3: Reporting & Exit Meeting

1. **Findings Categorization:**
    - **Compliant (C):** Fully meets criteria with valid proof.
    - **Opportunity for Improvement (OFI):** Minor scope for enhancement.
    - **Non-Conformity (NC):** Gap in process, missing documentation, or non-compliance with regulations.
2. **Exit Meeting:** Auditors present preliminary findings to the Auditees. Minor errors or missing records are given a 24-hour window for rectification before finalizing the report.
3. **Drafting Audit Report:** Auditors submit the signed audit report to the Audit Committee within 3 working days.

Phase 4: Post-Audit, Corrective Action, & Follow-Up

1. **Issuance of CAR (Corrective Action Report):** Audit Committee sends the consolidated report highlighting NCs and OFIs to the respective HoDs/Sections.
2. **Action Taken Plan:** Auditees submit a Corrective Action Report (CAR) within 10 working days, outlining:
    - Root Cause Analysis
    - Corrective Action Taken
    - Preventive Measures
    - Target Completion Date
3. **Verification Audit:** Audit Committee conducts evidence verification within 08 days to close pending NCs.
4. **Governing Body Review:** Consolidated Annual Audit Summary is submitted to the IQAC for policy-level interventions.

6. Audit Checklists & Templates

1. **File / Form AAA-01:** Audit Committee Notification, Annual Audit Notification & Timetable, Guidelines, SOP
2. **File / Form AAA-02:** Manual containing SOPs and Formats of Checklists, NC CAR Summary
3. **File / Form AAA-03:** Filled Checklists and NC reports
4. **File / Form AAA-04:** Audit Summary & Non-Conformity Sheet, Corrective Action Report (CAR) & Compliance Closure Sheet
5. **File / Form AAA-05: File / Form AAA-05:** Consolidated IAAA and EAAA Report

7. Record Keeping & Confidentiality

- All audit physical files, signed checklists, and digital records must be preserved by IQAC/Audit Committee for a minimum of 5 academic years.
- Audit observations are strictly internal to the institution and statutory bodies; auditors must maintain non-disclosure agreements regarding sensitive personal/financial data.

2. VISION OF THE COLLEGE

"To be pre-eminent educational institution that prepares students from diverse backgrounds for productive careers by providing them with a student-centered, practical focused quality learning experience"

MISSION OF THE COLLEGE:

"To graduate well educated students who are prepared to meet the challenges of a rapidly changing, increasingly complex world"

3. PREFACE

Moolji Jaitha College is one of the leading institutions of higher education in the region, offering a comprehensive range of programmes through its Junior and Senior College wings in the disciplines of Arts, Science, Commerce, and Management. Over the years, the institution has established a strong reputation for academic excellence, innovation, and holistic student development. Guided by its vision of providing quality education with a global outlook and value-based approach, the College strives to create an environment that nurtures intellectual growth, social responsibility, and lifelong learning.

The institution has earned significant recognition for its contributions to higher education and community development. In acknowledgement of its sustained commitment to quality and excellence, Moolji Jaitha College has been conferred the prestigious status of “College of Excellence” by the University Grants Commission (UGC) and “Star College” by the Ministry of Science and Technology, Government of India. These accolades reflect the institution’s dedication to maintaining high academic standards, promoting research and innovation, and fostering a culture of continuous improvement.

Located in a semi-urban region, the College serves a diverse student population representing various socio-economic backgrounds. Recognizing the evolving demands of higher education and the dynamic global environment, the institution continuously reviews and enriches its academic programmes. As an autonomous institution, the College designs and revises its curricula through a participatory process involving academicians, industry experts, alumni, employers, and other stakeholders to ensure relevance, employability, and alignment with contemporary societal and industrial needs.

The College is committed to providing a learner-centric educational experience supported by modern infrastructure and academic resources. The institution offers well-equipped laboratories, advanced research facilities, a resource-rich library, ICT-enabled classrooms, and specialized research centres to facilitate effective teaching, learning, and innovation. In addition to academic excellence, the College places strong emphasis on the holistic development of students through a wide range of co-curricular and extension activities, including sports, yoga and naturopathy, cultural programmes, performing arts, community engagement, and value-based initiatives.

The governance framework of the College is founded on the principles of decentralization, transparency, and participative management. Through the School Model adopted under the autonomous system, academic and administrative responsibilities are effectively delegated, enabling greater academic

flexibility, accountability, and stakeholder participation in decision-making processes.

This Academic Audit Report reflects the institution's commitment to quality assurance and continuous enhancement of its academic and administrative practices. The audit process serves as a valuable mechanism for evaluating institutional performance, identifying strengths, recognizing best practices, and recommending measures for further improvement. The findings and observations presented in this report are expected to contribute significantly to the College's ongoing efforts towards academic excellence, institutional effectiveness, and sustained quality enhancement.

5. INFRASTRUCTURAL FACILITIES

Physical Facilities

Sr. No.	Particular	Number	Carpet Area (Sq.Mt)
1.	Adequate Class Room	68	3170.64
2.	Adequate Laboratories	33	2347.454

Computer Equipment:

Sr. No.	Particulars	Total Number
1	Computers	697
2	Laptops	39
3	Printers / Fax	93
4	Scanners	04
5	Xerox Machines	05
6	LCD Projectors with Screen	20
7	Interactive Boards	30
8	Server	11
9	K-Yan	04

The college has adequate class rooms (68) and laboratories (33) for teaching learning activities. It has one of the finest state-of-the-art Central Instrumentation Laboratories in this region that houses sophisticated instruments with cutting-edge technologies for all the science departments. Research scholars from the university and other colleges also avail these facilities and receive hands-on training. The college has well equipped computer labs in addition to special computer laboratories attached to various departments based on the individual requirements. The college ICT infrastructure includes 697 computers, 39 laptops, 93 printers, 5 photocopy machine, 20 LCD projectors, 11 servers, K-Yan 04 etc. All the administrative activities of the college are computerized. The college has one open theatre for cultural activities, annual gathering and other public functions and occasions. In addition to this the college has two ICT enabled conference halls to accommodate 150audiences each that are used for organizing seminars, workshops, conferences, etc. The college has multi facilities to host various academic, cultural and social activities. All the conference facilities/halls and auditoria are fully ICT enabled.

7. CURRICULUM RELATED INFORMATION

- Number of courses in all programmes during the year : 1917
- Number of courses focusing on employability/entrepreneurship/ skill Development offered by the Institution during the year : 145
- Number of new courses introduced across all programmes offered during the year : 304
- Number of Programmes offered through Choice Based Credit System (CBCS) /Elective Course System : 448
- Number of value-added courses for imparting transferable and life skills offered during the year : 19
- Number of students enrolled in the Value-added courses : 277
- Number of students undertaking field work/projects/ internships / student projects : 1681

8. STUDENTS RELATED INFORMATION

Total number of students during the year : 4353

- Number of seats filled against reserved categories (SC, ST, OBC, Divyangjan, etc.) As per the reservation policy during the year (exclusive of supernumerary seats) : 3584
- Full Time Teachers : 119
- Number of full-time teachers with PhD during the year : 68
- Total teaching experience of full-time teachers in the same institution: (Full-time
- teachers' total teaching experience in the current institution) : 10.02
- Number of Non-Teaching staff Sanction : 107
- Number of Non-Teaching staff filled : 36
- Number of outgoing / final year students during the year : 1018
- Number of students who appeared for the examinations conducted by the institution during the year : 3879
- Number of students' complaints/grievances against evaluation against the total number who appeared in the examinations during the year : 796

PROGRAMME WISE PASS PERCENTAGE OF STUDENTS

Programme Name	Pass Percentage
Bachelor of arts English	100.00
Bachelor of arts Hindi	37.50
Bachelor of arts Marathi	84.62
Bachelor of arts Sanskrit	100.00
Bachelor of arts Defence and strategic studies	100.00
Bachelor of arts Economics	61.54
Bachelor of arts Geography	94.74
Bachelor of arts History	80.77
Bachelor of arts Philosophy	00.00
Bachelor of arts Political Science	95.00
Bachelor of arts Psychology	90.00
Bachelor of arts Sociology	80.00
Bachelor of arts Dramatics	100.00
Bachelor of arts Music	66.67
Bachelor of arts Yogic Science	66.67
