## **INTRODUCTION**

### **VISION OF THE COLLEGE**

"To be pre-eminent educational institution that prepares students from diverse backgrounds for productive careers by providing them with a student-centered, practical focused quality learning experience"

### **MISSION OF THE COLLEGE:**

"To graduate well educated students who are prepared to meet the challenges of a rapidly changing, increasingly complex world"

## **OVERVIEW**

Moolji Jaitha College is one of the premier academic institutions, having junior and senior wings, with arts, science, commerce and management streams. The institution is committed to achieve the highest academic standards and provides an opportunity to the students to choose and enroll in programmes that are best suited to them. It is well known for its educational, cultural, social and spiritual enterprises. As a result, the college has been conferred with the status of 'College of Excellence' by UGC and 'Star college' by Ministry of Science and Technology. Our mission is to impart quality education to our students with a global vision and holistic perspective.

Being situated in a semi urban area, the college has to cater to the educational needs of students from different strata's of the society. To cope with the rapidly changing and complex world, the college has designed curriculum of various courses taking into consideration the inputs received from experts from industry and society. Besides providing career-oriented syllabus, the college also provides additional facilities like ICT, Library, state of the art laboratories, research centres for ensuring quality learning experience to the students. To ensure wholistic development, the college also offers various extra-curricular activities through its extensions like sports complex, yoga and naturopathy centre and performing arts. The college practices decentralization and participative management through adoption of School model for academic management of various faculties under Autonomy.
