Challenges and Opportunities**

Saturday, 8th March 2025

Venue : Moolji Jaitha College (Autonomous), Jalgaon

About the KCE Society

The Khandesh College Education Society (KCE Society), founded on September 15, 1944, is a premier educational institution in the Khandesh region, dedicated to achieving excellence in education, research, and public service. The KCE Society provides a broad spectrum of academic programs across disciplines such as Arts, Sciences, Engineering, Education, Law, and Business Management. It provides undergraduate and postgraduate students with access to quality education in a stimulating scholarly environment. Today, KCE Society is a renowned institution in Maharashtra, spanning over 38 acres of land with state-of-the-art infrastructure, providing quality education to over 10,000 students.

About the College

Moolji Jaitha College, established in 1945 in Jalgaon by a dedicated group of social workers, is a premier academic institution and the flagship entity of the Khandesh College Education Society (KCES). Spanning a serene and easily accessible 25-acre campus, it provides an ideal environment for focused and distraction-free learning.

The college is affiliated with Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, and re-accredited with an "A" Grade (CGPA 3.15) in its 3rd cycle by NAAC, Bangalore, in 2016. It has also been recognized as a "College of Excellence" by the UGC, New Delhi, for the period 2014 to 2019. Moolji Jaitha College has been granted autonomous status by the UGC since the academic year 2019-20.

Committed to offering a student-focused and practice-oriented education, M.J. College strives to equip students from diverse backgrounds with the skills and knowledge needed for successful careers. Aligned with this vision, the college has taken proactive steps to implement the National Education Policy (NEP) 2020 beginning in the academic year 2023-24.

The Department of English

Established alongside the college in 1945, the department initially offered undergraduate courses, while postgraduate programs were introduced in 1965. Since its inception, the department has significantly contributed to the growth and development of English studies, focusing on the holistic academic progress of its students.

To achieve this, the department employs a comprehensive approach by organizing various student-centric activities. These include the English Club, which emphasizes day-to-day English learning, and presentation-based activities such as elocution, debate, storytelling, enacting-a-scene, and academic events like conferences, seminars, and workshops held throughout the year.

In 2017, the department hosted an international conference titled Language, Literature, and Culture: New Horizons in collaboration with the Regional English Language Office, U.S. Embassy, India, and the Association of English Teachers (AINET).

Under the autonomous framework, the department ensures that students gain broad disciplinary knowledge and career-oriented exposure through specialized papers such as Translation Studies, Cultural Studies, Academic Writing, Technical Writing, and Creative Writing, equipping them with skills to excel in diverse fields.

The department boasts a dedicated and accomplished teaching faculty with a strong interest in research, technology integration, and advancing the discipline. At present the Head of the Department is ably shouldering the responsibility of Board of Studies Chairman of KBC North Maharashtra University, Jalgaon.

Concept Note

Artificial Intelligence, once a distant concept for most people, has now become a part of everyone's daily life. Predictive Processing is no longer confined to science; recently it has begun to profoundly influence everyday human experiences. With the forceful advent of Artificial Intelligence in the world of technology, the domains of Language, Literature, and Culture by extension have come to be considered as the potential sites to be heavily influenced, affected, and redefined. The present conference offers an opportunity to traverse uncharted territories where AI; a fascinating at the same time intimidating technological innovation is unlocking new possibilities and directions in communication, literature, and various cultural modes of expression.

Language, literature, and culture, as the bedrock of human interaction and expression, are undergoing unprecedented transformations as they coalesce with a rapidly advancing multitude of AI tools. This fusion is reshaping the ways we create, share, and understand meaning. Such monumental shifts call for deliberate and thoughtful exploration, as they hold profound implications not only for our present society but also for generations to come. The natural responsibility of academia to critically examine and navigate these changes serves as the guiding principle behind the organization of this event.

We are thrilled to invite you to this event to participate in the dynamic exchange of ideas, insights, and innovations. The said conference is a multidisciplinary platform, designed to bring together scholars, authors, educators, technologists, students, and enthusiasts from diverse backgrounds to participate, and showcase their research, projects, and observations to be tabled and discussed

in front of the audience. It is a space for them to engage, discuss, and collaborate with fellow pioneers on the forefront of change.

We have assembled a lineup of distinguished keynote speaker; presentations, panel discussions, and plenaries aimed at exploring the untrodden avenues of language, literature, and culture in connection with the all permeating AI.

The research papers in English, Marathi & Hindi will be accepted.

Sub - themes of the Conference

The AI Classroom: Redefining Language and Literature Education

Impact of AI on Language and Communication

Impact of AI on Language and Literature pedagogy
