## President's Message

I am glad to welcome you to the Moolji Jaitha college (Autonomous) which has established itself as a premier institute of Khandesh region. This institution has always aspired for academic excellence of the students and delivery of skill-based education. At the same time, continuous enhancement of socio-cultural development of students from lower strata, by imbining into them the scientific temperament and promoting gender equality, has always been targeted.

It is due to such herculean efforts from my teaching and non-teaching staff that the college has been a successful recipient of the prestigious 'A' grade by the National Assessment and Accreditation Council (NAAC) for three consecutive terms. The University Grants Commission has also conferred the status of College with Potential for Excellence (CPE) twice, College of Excellence (CE) and Star College to the college.

Our main focus during autonomy would be to provide opportunities of Choice Based Credit System (CBCS) at undergraduate and post-graduate levels. Our state-of-the-Art infrastructure for academics, research, sports, as well as, extra-curricular and co-curricular activities, alongwith talented staff, makes this college as one of the most sought after institutes. We care for students' physical, mental and spiritual development so as to groom them into responsible citizens of India. All these efforts ensure all-round development of the young generation and assured placements.

I assure all the students of a right choice for their excellent future and ensured personality development.

**Mr. Nandkumar G Bendale**  
President (KCES)

## Welcome

I am happy to announce that Moolji Jaitha College has been bestowed with the status of Autonomy during its Platinum Jubilee celebration. Since its inception in 1945, this college has successfully carved its niche in the arena of higher education in Maharashtra.

The visionary leadership of Pradnyavant Nandkumarji Bendale (President, KCES) is the driving force behind this entire educational movement. Under his leadership and due to zealous efforts of the trustees, the college has been marching towards newer and higher academic goals.

For almost seven decades, the college has been imparting appropriate theoretical knowledge coupled with adequate practical exposure, upon students thereby developing in them the 'capacity to think'. During autonomy, we would provide opportunities to our students to choose and enroll in programmes that are best suited to them (Choice Based Credit System -CBCS), at undergraduate and post-graduate levels. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development.

The college has been a successful recipient of the prestigious 'A' grade by the National Assessment and Accreditation Council (NAAC) for three consecutive terms, along with the status of College with Potential for Excellence (CPE) twice, College of Excellence (CE) and Star College.

The continuous reforms at the academic and administrative levels have made the college holistically efficient. The student-centric approach offers huge scope for the students to choose elective courses from a wide variety of subjects. Some of the salient features of the college include computer aided learning programmes, audio visual aids, use of ICT tools in the teaching-learning process, training programs, on-campus placement drives, etc.

The college has good infrastructure facilities for

sports, academic, administrative, co-curricular and extra-curricular activities which include, adequate number of class rooms, well-equipped laboratories, library and reading room, administrative block, botanical garden, playgrounds, gymnasium hall, world-class swimming pool, indoor shooting range, health centre, resource center for visually challenged, yoga and naturopathy hospital, canteen and parking facilities.

JalaSRI is an innovative multi-disciplinary research institute, which is contributing significantly to the surveillance and research activities in the field of water and natural resources. It also undertakes varied research related to environment issues of water, land and soil with the help of student volunteers. These student volunteers, while assisting the staff members, automatically receive the 'hands-on-training' during field surveys.

A Career and Counseling Cell has been established for offering free career counseling to students. Congenial academic atmosphere in a pollution free campus, innovative skill-based courses like B. Voc., self financing and industrial courses, dedicated and talented teachers, transparent admission, excellent results and progression; and above all, democratic college management, are some of the key factors that attract students and stakeholders to Moolji Jaitha College.

This brochure will get you a feel of one of the best institutions in Khandesh region. On behalf of the members of the KCE society and staff members, I welcome you to M. J. college where you will find suitable path for academic excellence.

With Best Wishes !

(Dr. S. N. Bharambe)  
Principal

## Profile of Moolji Jaitha College

Moolji Jaitha College, the flagship institution of the KCE Society, has achieved academic excellence in the North Maharashtra University region. There are a number of collaborative research projects which have been proposed alongwith national and international tie-ups (i.e., MoUs with Haifa and Hebrew universities of Israel and Indian Institute of Geo Magnetism, Navi Mumbai), etc.

## INNOVATIVE ACADEMIC PRACTICES

### ViviDhaTa Research and Training Centre

ViViDhaTa is an acronym for *Vishwa-Vigyan-Dharma-Tatvic Adhishthan*. It signifies divinity. This centre aims at transforming young minds into universal spiritual souls and imbibing within them, the principles of scientific aptitude, human values and world's divine philosophies. For this purpose, it has initiated various activities -

- For the sake of acquiring fast track mathematical skills during competitive examinations, the students are taught 'Vedic' mathematics.
- By screening inspirational documentaries, the students are acquainted with national and international philosophies.
- Personality and spiritual development programmes are arranged regularly.
- For the sake of enhancement of skills such as vocabulary, communication, stage daring, etc., reciting competitions are held (*manache shlok* and *Geeta pathan*) for school and college students.

## Bachelor of Vocation

In order to equip students with skill-based education, 4 degree programmes (i.e., Bachelor of Vocation in Greenhouse Technology, Printing Technology, Agriculture, Floriculture and Landscape Gardening, Accountancy and Taxation, Mechatronic Industrial Automation, Medical Lab & Molecular Diagnostic Technology, Interior Design and Decoration), have been launched. These programmes have been launched under the UGC's XIIth Plan scheme and are affiliated to the North Maharashtra University. Their eligibility at the entry level is 10+2, i.e., HSC or equivalent degree. These programmes have enhanced the employability and entrepreneurship traits of students in Khandesh region.

### **Career Oriented Courses**

The college runs more than 40 career oriented courses. These are add-on courses, which students can pursue simultaneously along with the regular graduation or post-graduation programmes.

### **Budding Researcher's Scheme**

To propagate research culture among UG and PG students, the college runs a unique scheme, the Budding Researcher's Scheme. The students undertake research projects during summer vacation under the supervision of the subject guides. The college provides one-time stipend and contingency aid to carry out the projects. The projects are assessed by experts in the respective fields and the best three projects, from each stream, are awarded motivational prizes. The research papers are then published in a compendium with an ISBN number.

## **FACILITIES FOR STUDENTS**

### **Smart Classroom**

Smart classroom teaching aims at developing an effective educational environment, by combining collaborative teaching and learning processes, using the latest technological tools. It deals with both, physical and virtual teaching. It helps students to gather information from all over the globe with the help of internet, video-conferencing and other software. It brings flexibility to learning and makes the learning ubiquitous. 30 such smart classrooms have been set up to cater to the needs of students of all faculties.

## Autonomous programmes being offered by the college from Academic year 2021-22

It is a matter of pleasure to state that from the academic year 2019-20, the UGC and Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon have conferred Academic Autonomy to our college. Under autonomy, the college has liberty to frame and update the curriculum and offer the courses that are innovative, and that enhance employability of the students. Autonomy also gives freedom to the college to conduct the examinations by their own pattern within the framework of guidelines of the UGC. The college is administered by the Governing Body of the KCE, the Academic Council, the Boards of Studies, Examinations Committee, and Finance Committee. The various academic under-graduate and post-graduate programmes are structured according to the current requirements of the academic field and the market.

Accordingly, the college has structured the programmes of under-graduate and post-graduate studies under autonomy, and the same are being implemented from the academic year 2019-20.

The First Year of B.A./ B. Com./ B.B.A./ B.C.A./ B. Sc./ B.V.A. and the First Year/ Part I of M.A./ M. Com. / M. Sc./ M.V.A. will be offered under the Autonomous programmes of the college. The Second and Third Years of the under-graduate and Second Year of post-graduate studies will be continued under the affiliated programmes of Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon during academic year 2019-20. The college has also adopted the "School" Pattern for effective administration and to have a control over the implementation of the academic programmes.

The University Grants Commission (UGC) has introduced the Choice-Based Credit System (CBCS) with the objective of developing a "learner-centric" approach in the entire education delivery mechanism to help achieve the goals of the New Education Policy (NEP) initiated by The Ministry of Human Resource Development (MHRD), Govt. of India. Our College has also adopted the CBCS from the academic year 2019-20 for the autonomous programmes. The details regarding this CBCS Pattern can be seen at the college website.

Under the CBCS pattern, the various courses to be learnt by a student are categorised under the following heads -

**1. Core Course** - This is the course which is to be compulsorily studied by a student as a core requirement of the programme. Different programmes have different number of Core Courses to be studied at the UG and PG levels.

**2. An Elective Course** - A course which can be chosen from a pool of courses and which may be very specific or

specialized or advanced or supportive to the discipline / subject of study or which provides an extended scope or which enables an exposure to some other discipline / subject / domain or nurtures the candidate's proficiency / skill is called an Elective Course. An elective course may take two forms as under -

**(a) Core Elective Course** – There may be two or more papers under this category. A student has to select any one Core Course from these options

**(b) Discipline Specific Elective Course** – An Elective course offered under the main discipline / subject of study is referred to as Discipline Specific Elective (DSE) Course.

**3. Skill Enhancement Course** – This is a course designed to provide skill-based knowledge. The main purpose of this course is to provide students life-skills in hands-on mode so as to increase their employability.

**4. Generic Elective (Inter-disciplinary) Course** – It is an elective course chosen from an unrelated discipline / subject, with an intention to seek exposure beyond discipline of choice.

The courses under the above stated categories and the Credit Distribution under the Choice Based Credit System (CBCS) have been described separately for different programmes under the respective faculties of studies.

### Lateral Entry of a student to the programme -

Students who are admitted laterally at the college have to pass courses decided by concerned School or Other Committees appointed by the college or as per the rules of Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, as pre-requisite courses, if any. Such courses shall be considered as audit courses. On successful completion of such audit courses, the concerned student shall be deemed to have earned all credits of previous semesters. However, these credits shall not be considered for calculating the performance indices. Equivalent credits of previous University will be considered as earned credits in the last semester of respective programme for the award of the degree.

### TRANSITORY PROVISION

Notwithstanding anything contained in these rules, the Principal of the college shall, for a period of two years from the date of coming into force of these rules, have the power to provide by order that these rules & regulations shall be applied to any programme with such modifications as may be necessary.

## Mandatory Programmes for All-round Personality Development

'sa vidya ya vimuktaye..' thus spake the scriptures. Education in the traditional Indian conception is the process of unfoldment of innate abilities lying dormant in the person. Swami Vivekananda gave a clarion call for all-round personality development of the youth through harmonious blossoming of the body, mind and soul. Keeping with these noble thoughts, this autonomous college mandates every student to complete two programmes (with 2 credits each) - one in sports and the other in Arts (i.e., fine arts, yoga, music, dance, dramatics) before he/she is awarded the undergraduate degree. These elective programmes are aimed at strengthening young minds and shaping their personality as they pursue their formal education. Accordingly, the options open to them are as follows:

Programmes in Sports: Cricket, Badminton, Kho-Kho, Kabbaddi, swimming, Table-Tennis, Athletics, Floor ball, Rifle shooting, Soft ball.

Programmes in Arts:

Music - *Tabla*, Harmonium, Vocal music, *Sugam sangeet*; Dramatics - Acting; Dance - Indian and Western; Fine Arts - Painting, Sculpturing and Photography and Yoga - Classical and Modern.

Students taking admission in the first year will opt for any two of these programmes in the 1st semester. Based on the options chosen and the permissible strength for each program, the time table will be prepared and made available on the notice board and as well as on the college website. The attendance and performance of the students will be taken into consideration while awarding the completion certificates at the end of the degree program.

Those students who represent the college in inter-collegiate, inter-university matches or those who bag 1st, 2nd or 3rd prizes at district, state, national or international levels in various events related to extra-curricular activities, are exempted from attending these programmes. However, these exemptions will be only for the field represented by the student (i.e., either Sports or Arts). It would be mandatory for the student to complete the other programme as per the norms.

## Examination & Evaluation

The Evaluation of the student shall be divided into two parts viz. End Semester Examination (ESE) and Continuous Internal Assessment (CIA) with a weightage in the ratio of 60:40 for PG Courses. It means, the distribution of marks for every theory/ practical paper at End Semester Examinations and for Continuous Internal Assessment shall be as follows –

Theory/ Practical Examination for PG Courses	Percentage
End Semester Assessment (ESE)	60 %
Continuous Internal Assessment (CIA)	40 %
Total	100 %

- In order to pass the examinations a candidate has to obtain at least 40% marks for each paper in ESE and CIA exams separately.
- Continuous Internal Assessment (CIA) Examinations shall consists of
- Online MCQ based Exam/ Paper Based Internal Exam.
- The marks for each test shall be displayed on notice board within 15 days of conducting the test. Answersheets of internal exams will be shown to students on demand.

## Grading System

Marks for each course would be converted into grade points as per Ten-Point grading scale as stated in the following table.

Marks in %	Letter Grade	Letter Grade
Marks $\geq$ 75%	O (Outstanding)	10
70% $\leq$ Marks < 75%	A+ (Excellent)	9
60% $\leq$ Marks < 70%	A (Very Good)	8
55% $\leq$ Marks < 60%	B+ (Good)	7
50% $\leq$ Marks < 55%	B (Above Average)	6
45% $\leq$ Marks < 50%	C (Average)	5
40% $\leq$ Marks < 45%	P (Pass)	4
Marks < 40%	F (Fail)	0
	Ab (Absent)	0

- The following procedure will be used to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

$$\text{SGPA (Si)} = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

where  $C_i$  is the number of credits of the  $i$ th course and  $G_i$  is the grade point scored by the student in the  $i$ th course  
The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.

$$\text{CGPA} = \frac{\sum(C_i \times S_i)}{\sum C_i}$$

where  $S_i$  is the SGPA of the  $i$ th semester and  $C_i$  is the total number of credits in that semester.

- Final Marksheet shall contain both CGPA Score and percentage of marks obtained

## महाविद्यालय – गीत

ज्ञानभूमीच्या रजतकणांचा कुंकुम माथा भरु!

जयजयकार करु! सर्वही जयजयकार करु!

जीवनातही रम्य – पौर्णिमा छात्रकळा लाभली

गुरुचंद्राच्या कृपाप्रसादे चित्तवृत्ती तोषली

स्नातक होता अवघे जीवन सुखात लागे झरु!

देश – धर्म संस्कृती भेटवी ग्रंथ सत्य-दर्शनी

सद्गुण संस्काराची लाभे अक्षय संजीवनी

भूत-भविष्य वर्तमान हा इथेच जाणे धरु!

जीवनास या लाभे येथे दिव्य – भव्य – पूर्तता

वास्तु स्वर्ग हा जन्मा घालो स्वप्न – ध्येय सांगता

व्दिजापरी मन स्वातंत्र्यांचे मंत्र लागते स्मरु!

नवा जन्म हा वास्तव्यातून घडे विश्वचेतना

मानवतेच्या संकल्पाची उजळून ये भावना

कला-क्रीडा विज्ञान मार्ग हे कर्तव्य आचरु!

ज्ञान हीच संपदा केवला शक्ती भक्ती खरी

सरस्वतीचे वीणास्त्र हे निनादती अंतरी

साधनेत या मुल्जीयन्स हे रंग लागले भरु !
