## Moolji Jaitha College, Jalgaon

An "Autonomous College"

Affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon - 425001

## STRUCTURE AND SYLLABUS

M.A. - SOCIOLOGY (Semester I & II)

Under Choice Based Credit System (CBCS)
And
As per NEP-2020 Guidelines

[w.e.f. AcademicYear:2023-24]

#### **Preface**

As a teaching subject sociology is becoming quite popular at present not only at degree level but also at post-graduate level. Hence a large number of students have taken up sociology for study at college Level. like all other social science, sociology also concerned with the light and activities of man, sociology analyses the influence of economic, political, technological, cultural and other forces and facts on man and his life. the social scientist has a basic doctrine that he should present function and violence, human relations and that he should save lives and help in establishing peaceful and self-respecting relation between man and man.

The Moolji Jaitha College (Autonomous) has implemented a department specific model in accordance with the guideline of UGC NEP 2020 and the government of Maharashtra. The board of studies in the sociology of the college has formulated the syllabus for the first year post graduate programme in sociology. The syllabus aims to develop a strong theoretical function in various field of sociology. It covers Sociology of Development, Sociological theories, relation between industry, labour, Globalization. It focuses on understanding of human welfare, health and society. in First year (PG) students will be introduced to the various field of sociology.

The overall curriculum of two year of PG covers a wide range of subjects including Women empowerment, Research Methodology, contemporary social issues, urban sociology, gender studies, education etc. these topics has been concerned with the development, social acts, social relationship, groups of all varieties communities (Urban, Rural, Tribal) associations, organizations and populations.

The detail of each syllabus of each paper is appended with a list of suggested readings.

#### **SOC-RM-516 - RESEARCH METHODOLOGY IN SOCIOLOGY**

Course Objectives		-	
• To provide knowledge of various data collection techniques. • To understand how to collect data, analyze and interpret empirical evidence in social research  After successful completion of this course, students are expected to: • Students will be able to learn sociological research both form theoretical and methodological perspective. • Students will be able to know the importance of hypothesis and research design in research. • The course will able to students learn the usage of data analysis and application of the research methods in the field. • The course provide an exposure to the students about the fundamentals of research methods and methodology.  Unit 1 Topic Particular House Scientific Research - Meaning, Steps and Characteristics • Social Research - Meaning, Steps and Characteristics • Social Research - Meaning, Characteristics and Objects • Formulation of Problems – Process and Factors. • Hypothesis – Meaning, Characteristics and types  Unit - II Research Design and Sampling • Research Design – Meaning, Characteristics and Types • Importance of Research Design • Sampling – Meaning, Merits and Demerits • Types of Sampling Method  Unit - III  Data Collection • Data Collection – Meaning and types • Observation and Questionnaire – Characteristics and types • Schedule – Meaning, Characteristics and Importance • Interview – Meaning, Importance, Process and types.  Unit - IV  Analysis and Interpretation of Data • Need of analysis and interpretation • Classification and Tabulation • Social Statistic – Mean, Median and Mode • Report Writing – Content, Objects, Importance and Problems of Preparing the report.  Study Resources  ** Beteille, A and T.N. Madam (1975), Encounter and Experience : Personal Accounts of Filed Work, Vikas Publishing House, New Delhi. • Kothari, C. R.
